<ul style="list-style-type: none">> Technical knowledge> Business awareness> Ethical standards> Regulation and compliance> Systems and processes	<ul style="list-style-type: none">> Analysis of information> Communication skills> Leadership potential> Planning and prioritisation> Team work and collaboration> Produces quality and accurate information> Uses systems and processes	<ul style="list-style-type: none">> Adaptability> Adding value> Ethics and integrity> Proactivity> Professional scepticism

GATEWAY

End Point Assessment		
Role Simulation	Portfolio	Reflective Statement
A role simulation exam which synoptically assesses the application of knowledge, skills and behaviours required from employers.	A portfolio of evidence collated during the apprenticeship showcasing understanding and practical experience at each competency.	A written piece reflecting on the apprenticeship journey as a whole including what went well, what the apprentice would do differently, what the apprentice learnt.

COMPLETION OF APPRENTICESHIP

Progression to Level 7 Professional Accountant Apprenticeship possible.
