

ADDITIONAL SUPPORT FOR MAY 2020 STUDENTS

The following communication was sent to all Tolley Exam Training students on 3rd April 2020.

See below for information on how we will support you over the coming months along with suggestions for what you should currently be working through.

To work through NOW:

May 2020 Practice Exams and Pre-Revision Mocks

Use this time to catch up on any Practice Exams missed, and if you want to submit the May 2020 Pre-Revision Mock for marking, you can do. We have extended the deadline for the Practice Exams that were due to take place and all Pre-Revision Mocks, so please submit these for marking by the 30th April. Access these through your Academy account, but if you have any queries please contact examtraining@lexisnexis.co.uk

More Time To.....

The Institute are sharing ways for students to adapt their studies over the coming months on LinkedIn. Join the LinkedIn groups to receive their posts. This week they have released two items:

- Hints and tips on how to adjust to working from home and how to maximise this time for your studies. The link to this can be found [here](#)
- Support from tuition providers featuring our free content available to all students on the Tolley Academy. You can catch up on the free webinars and articles [here](#)

To work through NEXT:

Study Planner

A detailed Study Planner with specific guidance per paper will be sent to you next week.

Interim Question Bank

Your Interim Question bank will be released on your Academy account by the 14th April. This contains additional question practice to test and apply your knowledge.

To follow:

Study Support Sessions

You will receive a schedule of LIVE Online Study Support Sessions. Each session will cover specific technical topics relating to your paper. A tutor will guide you through the topic and there will be the opportunity to ask questions. If you cannot make the live session, recordings will be available to access later. More details will follow next week with your Study Planner.

Pre-Revision Question Bank

Your Pre-Revision Question bank will be released on your Academy account in August 2020.

November 2020 Pre-Revision Mock

A new November 2020 Pre-Revision Mock will be available on the Academy (approximately August/September 2020). For those on GPS, this November 2020 Pre-Revision Mock will count towards your GPS requirements.

November 2020 Revision Question Bank

Your Revision Question bank will be released on your Academy account in September 2020. For those attending a Revision Course there will be a list of questions that can be attempted before the course.

November 2020 Revision Courses and Final Revision Mocks

If you were booked on a Revision Course the revised date will be added to your Academy account over the coming months.

For those on the Revision Course, the Final November 2020 Revision Mock will be sat at the end of revision.

For those studying by Distance Learning only, your submission date will be added to your Academy account.
